

We Make Theatre Magic... and We're Wishing for Magic Wands!

Can you help make our dreams come true?

Roanoke Children's Theatre is all about finding new and creative ways to make theatre magic. But every magician needs a good set of wands. To construct our beautiful, professionally designed sets and props, we need to arm our technical wizards with practical, real world tools of the trade. Our wizards have a Wish List for our very bare and lonely shop — we're hoping you can cast a spell our way!

If you're out DIY shopping, or if you have any of the following items collecting dust in your garage or workshop, please consider giving them magical powers at RCT! Any new or used generously donated items can be listed as a tax-deductible Charitable donation—just download and fill out our **Inkind Donation Form** (located on our "Sponsor Benefits and Materials" page) and turn it in with your item! Or we can turn your tools into tickets by providing benefit tickets for your donation! Tickets will be redeemable on Thursday, Friday and Saturday evening performances.

For the wonder you'll help create in the eyes of children seeing theatre for the very first time, thank you for being our "Fairy Godparents!"

Wish List Items:

- Laptop computer
- Projector w/ short throw lens
- 5 screw guns w/ batteries
- table saw
- compound miter saw
- jig saw
- Palm sander
